STORY OF THE MONTH

Big Box Retailer – Winston-Salem, NC – November 5

A suspect targeted a big-box retailer in Winston-Salem, stealing jewelry valued at nearly \$65,000. Among the stolen items was a concealed Jewelry Tracker, which activated and provided law enforcement with real-time location updates. The tracker guided officers to a stationary location, where the suspect was apprehended, and the full value of the stolen jewelry was recovered. This remarkable recovery prevented a significant loss, protected the retailer's brand, and prevented future crimes by arresting the criminal

Convenience Store – Houston, TX - November 8

Three suspects targeted a convenience store in Houston, stealing cash and a concealed Cash Tracker. The suspects fled the scene in a stolen vehicle, prompting law enforcement to begin tracking the device. The tracker provided real-time updates, guiding deputies to the suspects' vehicle while driving through residential neighborhoods. The pursuit ended and the suspects fled on foot. With assistance from a K-9 unit, officers quickly tracked and apprehended all three suspects. The Cash Tracker was recovered, along with the stolen money. The suspects, who were already known to law enforcement and have violent criminal histories, are also believed to be connected to multiple other robberies in the area.

Convenience Store – Conception Bay South, NL - November 24

A disguised suspect, armed with a tire iron, entered a convenience store in Conception Bay South and demanded cash and cigarettes while threatening the clerk. The suspect fled the scene with \$112 in cash, over a dozen packs of cigarettes, and a Tobacco Tracker. The tracker activated upon the suspect's departure, providing law enforcement with real-time location updates. Officers tracked the device to a nearby residence, where the homeowner granted them access. Inside, the tracker was located, along with the stolen money and cigarettes. The suspect was taken into custody. The officer in charge of the investigation was extremely impressed with the technology, stating it was his first time dealing with an activation and that it was "awesome." The GPS saved them a lot of work as the suspect was disguised, and it led them right to him.
