

# COVERT

BY **3Si**

The Covert by 3Si product line includes customized GPS devices that provide precise tracking intelligence for real-time and investigative responses.

## CASH TRACKER™ RETAIL

Protects cash in all types of retailers and tracks for recovery.

In any retail environment, cash will always prove to be an attractive target for robbers. That's why it pays to protect it with Cash Tracker. Cash Tracker is a powerful tracking device that blends with other currencies. It automatically detects crime and silently starts updating its location to 3Si's advanced tracking system.

### WHEN THE CRIME OCCURS

Once the tracker is activated, our own 24/7 security team and local law enforcement are instantly informed. Our advanced tracking system reports the location of the cash every step of the way while law enforcement pursues and apprehends the robbers.
